

### **Information on Accommodation/Hotels in Bern**

The city of Bern offers a wide range of accommodation possibilities, from backpackers hostels, B&B's to high end hotels. Below, we offer you an overview of selected different hotel options, organized by budget, but there are many more.

For your orientation: The conference will take place at the University, the rooms are in Schanzeneckstrasse 1, 3012 Bern. This is just a 10-minute walk away from the Central Train Station. Bern itself is not large, and public transport is very easy: Some of the places we listed are directly located in the old part of the UNESCO world heritage city that only take 10 to 15 minutes by bus or tram (and walking is also an option). The Hotel National is at a walking distance to the University. Even the most remote B&B places are linked to public transport and usually do not take more than 20 minutes by bus or tram.

As the month of July is one of the most popular times for travelling to Switzerland, we highly recommend booking your accommodation as soon as possible! Regarding this, we suggest to book your hotel over the following links (as these are often cheaper than the prices directly booked at the hotels), in order to get the best rate per night.
